

## **About Ian Trottier**

Ian Hamilton Trottier is of a British mother and American father. His lineage is Scottish, English and French. The French line having arrived to Quebec in 1640 and then to San Francisco in 1890 where he was born. Trottier has a degree from the University of Oregon in Sociology and has lived in the Yucatan of Mexico and Salisbury, UK. An actor, writer, producer and business engineer, his greatest endeavor at the moment is educating the global community of the toxic dangers that lie within the petroleum industry and as a result has co-founded the [StopSpraying.org](http://StopSpraying.org) campaign. Ian is a resident of Miami Beach, FL.
