

About Regina Imburgia, leader of Activists for Truth

Regina is a long time activist and a Constitutionalist. She loves to cook and loves organic gardening.

She is passionate to help like-minded liberty lovers come together and share knowledge, talents and strength to expose truth and encourage activism.

Regina Imburgia says, "Activists for Truth was started in May 2013. Our group's desire is to expose truth and encourage activism. Activists for Truth decided to take on the mission of halting the addition of fluoride to the Dallas Water.
