In 2006 Tim stood with Missourians Against Human Cloning as they worked to defeat Amendment 2, the Human Cloning Amendment. He received the Missouri Right to Life endorsement in the 2010 campaign. Tim is running for State Representative because he believes that the Founding Fathers entrusted our nation to men that were a lot like him. Remole is committed to Jesus Christ, first and foremost. Nothing comes before his relationship to Christ. He is committed to his wife of 34 years and credits much of his continued success and his strength to Brenda, his life partner.. "We must stand firm on the TRUTHS and PRINCIPLES upon which our nation was founded," Remole says. He believes that the foundational pillars of our nation are:

- ***Faith** in the one true and living God – the creator of all that is and the giver of life*
- ***Family** as ordained by God, one man and one woman joined in Holy Matrimony for life*
- ***Freedom** that comes from God and that has been entrusted to "We the People"*

Tim Remole is a man who wears many hats. No matter where you see him working he is committed to personal integrity and individual responsibility. Remole pledges to the citizens of district 6, that he will fight for their right to....

....freedom from unnecessary regulation and governmental intrusion into your daily lives

....lower taxes and responsible government spending without waste

....bear arms to protect yourself, your household, and your property

....own and run your own business to create more jobs

Tim Remole can be trusted with the best interests of the citizens of District 6. He will not sell out to the powerful lobbyists when they come calling on him in Jefferson City. Opposed to the way that government works in Jefferson City and in Washington, D. C., Remole states that, "Elections matter...one good man standing in the gap can give other good men the boldness to

stand firm for what is good and right for Missouri and for America. I want to be that man and I need your vote for State Representative for District 6".
