## Shatter REPP Trips

Hello again Kent, Ohio, we are in your area visiting monthly. We have done this for 8 years now – to uncover a Germanic/Nazi type satanic coven (the brotherhood) that has operated there and has done great evil.

By God's grace we have now found victims from this group and are seeking to help them. If anyone has "information" that can help, please call, write or E-mail us.

On one of our trips to Kent the Team witnessed to a man and lead him to Christ and another young man rededicated his life to Christ. Pray for us, them and this area.

## *POWER ENCOUNTER WITH A MILITARY REMOTE VIEWER*

---

God loves the whole human race ... everyone...no matter what we get ourselves into.

More and more people are hearing about "remote viewers" trained and unleashed by our U.S. military. You can read the books, see the videos or look on the web to learn about this process from people like:

David Morehouse's "Psychic Warrior", Joseph Moneagle's "Remote Viewing Secrets", Jim Schnable's "Remote Viewers", Former Director of Project Stargat, Dale Graff's "Tracks in the Psychic Wilderness" or Robert Doherty's novel "Psychic Warrior". And don't forget Ed Dames, the well known remote viewer guest on the coast to coast radio show with Art Bell and George Noory.

The remote viewer, somewhat like astral projection, leaves or goes to a specific location to remote view an area without being there physically. The military used this to find people, enemy bases and more.

Shatter REPP Trips Cont'd.

**NOW FOR THE BIG NEWS! We have a Kent, Ohio and Artesia, New Mexico connection. A mother from Kent called us this past year to help her and her daughter. The daughter was taken to New Mexico ( a place we have prayer mapped for years) to a place called Artesia where she was put into satanic rituals, beaten and deeply harmed. The daughter is here in Kent this week and we have gone to help her.**

**In Artesia, NM there is a place called the “rats cage” where satanic rituals, drugs and violence occur. In God’s perfect timing, He has opened a door for me to go to Roswell, NM for an “Ancient of Days” conference which is 40 miles from Artesia. I will go to Artesia while in NM to prayer map, expose...Well, a REPP Trip! Pray for us. Pray also for this mother and daughter for salvation, healing, deliverance and protection!**

Ed Dames claims to have remote viewed events and even satan, himself. Occultists for hundreds of years have experienced leaving their bodies and going out to other places and to even interact with other worldly extra dimensional beings; Satanists have used this process to unleash dark powers against others. One young man I dealt with used it to “visit” a girl to touch her for sexual purposes.

I, myself, was trained by a Chinese temple master in the form of golden Buddha meditation in which I could meet ascended masters out there in the great universal (Rvers call it the ether). The temple master taught us to talk to, interact with these masters and sometimes let them into our bodies to speak to others (channeling) even an agent with the NSA who was called an “intuitive communicator” interacting with EDBs “extra dimensional beings”. This was Dan Sherman’s story in “Above Black” Protect Preserve Destiny. A lot of people seem to be launching out into uncharted, maybe forbidden, realms!!!

The Bible speaks of leaving the body OBE’s – Out of the Body Experiences. Ezekiel the prophet did...The Apostle Paul did...and the Apostle John did. The ability to leave the body is there, the “power” or energy to do it comes from two sources. In the Biblical experience with Ezekiel, Paul and John the Holy Spirit of God in each case moved on them and enabled them to come out for God’s purposes.

I have learned that the “either/universal” or astral plan is the 2<sup>nd</sup> heaven...the realm of demonic powers where the ruler (satan) of the power of the air (realm/ether) is. Ephesians 2:1-3. What power, energy or presence helps some to remote view? Astral out?

A military Monarch Project, Ft. Bragg Black Ops trained CIA operative who could speak 5 languages and had immense knowledge from SRI in this area came to me with paperwork, diagrams, symbols, talk of threshold walkers, triangulation psychic assignment and the great barrier in the ether. They wanted prayer. In their freedom encounter we sought to “find” the power of energy by which they remote viewed. Under the authority of Jesus Christ this “power” was a presence who called itself argon; a translucent spirit who drew and empowered this person into remote viewing and OBEs.

Under the prayer command and authority of the Lord Jesus Christ I demanded it to confess who it really was and what it really wanted. The spirit cursed and said satan was it’s lord and “my goal is to take this person to --- hell”. When this person heard this they wanted it gone. We commanded it out. It left and so did the person’s ability to leave the body.

Is it “psychic ability” or deadly deception? If it’s not God’s power/the Holy Spirit then what power is it? Under the expressed authority of Jesus it can be uncovered and the truth can be revealed. Luke 10:17-18.

Freedom from deadly dark supernatural power is only found in the God who loves you and went to the cross to break the barriers to give you a true spirituality and relationship that will take you – eventually face to face with God. See John 3:16-17; I Corinthians 15:42-57; Revelation 22:4;6-17.

Please read more on this next month.

**Recently we held a “drama” with satan, himself, visiting a local church and speaking to the church. It is meant to reveal Biblical truth and revelation on who he really is, how he works and what he wants. The entire drama is on audio tape now and is great for Christians and as an evangelism tool. I am really enjoying this Level 8 Class. Twenty eight brave students are studying deeply and preparing more in spiritual warfare, deliverance and power evangelism.

The content of the course (Cult Multiples “Chosen Ones” and Their Agenda) can be overwhelming at times. This class also emphasizes that the Church is to be unleashed as a “Vessel of Grace” – salvation, healing deliverance and empowerment. It is also a
