Shatter R.E.E.P. Mission Trips

Hello again, Ashland, Ohio! Along with our prayer intercession, our trip included meeting great new friends and a visit to the Ashland Seminary campus.

We returned to Kent, Ohio to follow up on an SRA victim and check on a man we lead to Christ months ago. A satanic/Germanic coven was very active in this area in the 90's and we hope to uncover it, confront it and help its other victims.

Theology For The 3rd Millennium

“The infant, Jacqueline Mae Cooper, died Oct. 6 of a broken neck, but also suffered multiple puncture wounds, bruises, a severed liver, 12 broken ribs and fractures in her arms and legs, including both new and old injuries.” ABJ 2/15/05

It burns me! – A great sadness for this area. Little Jackie Cooper was killed. There is history here. A year earlier, I felt a strong leading by God to visit a man. On this visit I met him, twin baby girls and their mother. I ministered to them all and we prayed. I picked them up twice for church. It was a joy to pick up this family. I held the twins and placed my hands on them to bless them.

We lost touch for a while, so, *feeling lead*, I visited the home again. The mom was there but boxes were packed and she was leaving. She introduced me to a man sitting at the table...Daniel. He is now charged with Jackie's death!

At the time I gave phone numbers and pledged help for her and the twins. I urged her to call. She never did. I lost track of them and where they were.

Once again I felt lead to find them all. I visited where the babies' dad had lived. No one was home that morning so I left a note on the door.

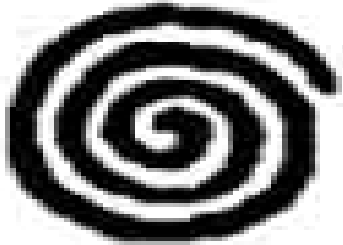

While driving home and listening to WNIR radio I heard the news of Jackie's death.

Meanwhile, back in Medina, Ohio we continued our mission trips there. We also poured out prayer throughout Sharon Center and Wadsworth.

There are victims of coven/mind control groups there and we will continue our help for victims. Our last visit was to the area where a group called "Stairway To Heaven" or "Stairway Coven" has met.

Pray that this group is exposed and that its victims are found.

REMEMBER R.E.E.P.s are:

Research: We research an area for satanic, New Age or occult history and activity.

Evangelism: We seek opportunities to win others to Christ on the way to and from as well as in the area of concern.

Prayer: We use the 16 page Shatter Prayer Mapping notebook for intercessory warfare mapping of the people and area of concern.

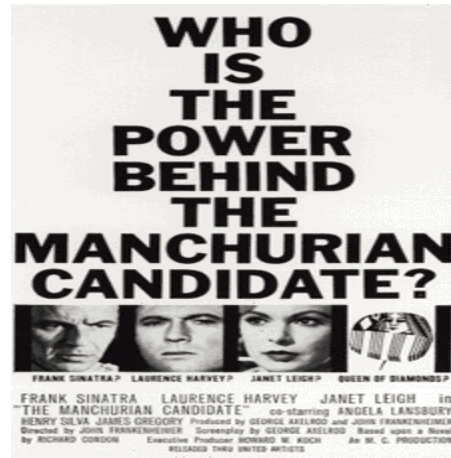

Planning: We seek plans for a crusade, seminar, starting a Shatter Prayer Center or revisiting and responding to what is needed on a ministry level.

Other short trips included Alliance, Lisbon and the Fairlawn area.

UPCOMING TRIPS

We are planning a trip in March to S. Carolina to visit a family and have some ministry time.

Off to N. Carolina for the "Mind Control" conference with Sue Ford.

The Roswell, NM conference is on for July. Would you like to go? Let us know.

Jackie Cooper's mom said "Duffield was a 'black' pagan and said the puncture wounds resulted from (pagan rituals) performed on her child." Akron Beacon Journal 2/15/05

(Cont'd from page 1)

I immediately turned around and went back to meet up with this dad who was in pain. The ABJ photographer was there. We talked and I was informed that the man who killed Jackie was into Alistair Crowley (a noted dark occultist who was called "the Beast". I knew enough to know that the level of dark "arts" was bad news for anyone.

Now the ABJ 2/15/05 article questions why "the girl was stuck with a needle 40 times on the bottoms of her feet and the side of her head and stated that Dan Duffield who killed Jackie is a 'black' pagan. The news on the radio also tells us that this death involved pagan ritual.

I told Jackie Cooper's dad that we would hunt down the other people who may be connected to this and stairway coven which met at a local cemetery.

Pain and torture are a part of satanic rituals. A Satanist priest told me that the more pain, prolonged over time, draws more "power" for them. The torture of an 'innocent' in these dark rituals seeks to draw more powerful demons and power/favors for those appeasing satan.

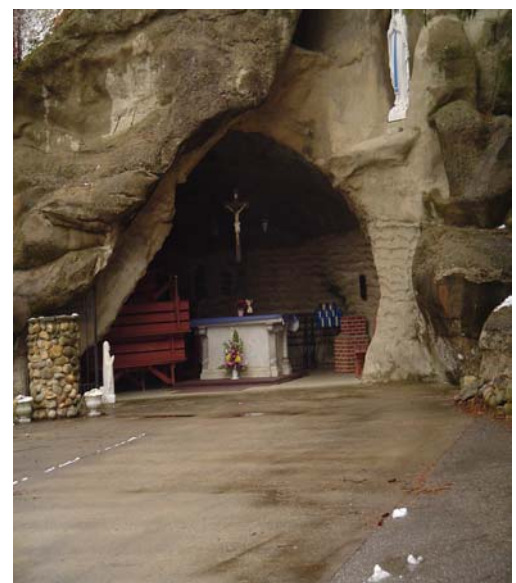

This is nothing new to me. Underground literature and many satanists before have told me of dark rituals, human and animal sacrifice. I have seen too many video/slides of ritual deaths at law enforcement training events.

We've had "stairway coven" in our sights for some time; if Jackie's killer was a part of this group, he/they should know, by God's grace we will hunt you down!

Pray for this group to be exposed and stopped **SO NO OTHER CHILD WILL HAVE TO EXPERIENCE SUCH HARM!**

Anyone who has any information on stairway coven is requested to please

call or write us at the address listed on page 4.

The ***BLACK AWAKENING*** is still being worked on. We do have the 3-CD and training manual done now which can be purchased for only \$38 including shipping and handling.
