No symptoms?

Some people have silent CHD with no prior signs or symptoms.

Doctors, especially Cardiologists maintain that "you are only as old as your arteries". They know that arterial ageing wears out your brain, heart, kidneys and other organs as well as causing damage to hearing and eyesight.

HEARTDROPS4LIFE

The Arterial Cleanse™ Guarantee

Arteries can and do clog resulting in over 50% of all deaths annually. For this reason we seriously suggest an Arterial Cleanse™.

A Complete Arterial Cleanse™: Take 7.5 mL of Heartdrops per day for one year. The following year consider the Arterial Maintenance or Prevention Program.

Arterial Maintenance or Prevention Program: 7.5mL per day for 90 days every year as a seasonal cleanse to help maintain your arterial health.

Note: Some individuals with special conditions continue to take Strauss Heartdrops year after year on a daily basis.
